

## Inquiry Adventure: March 2020

Inquiry is the basis for everything that students do in an International Baccalaureate School. In the Primary Years Programme (PYP)\*, inquiry is structured, purposeful, and engages students actively in their own learning.

The Learner Profile attribute, **KNOWLEDGEABLE**, states: We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

Parents can support their child's understanding of this attribute by taking an Inquiry Adventure with their child.

Step

### 1: Take an Inquiry Adventure with your child this month!

**READ:** The Librarian Who Measured the Earth by Kathryn Lasky, The Bee Tree by Patricia Polacco, Officer Buckle and Gloria by Peggy Rathman, Heckedy Peg by Audrey Wood, or Tops and Bottoms by Janet Stevens. How were the characters in the story being knowledgeable?

**SHOW and TELL:** Is there something you know how to do really well? Teach someone how to do something new. Draw or take a picture of your adventure!

**VISIT:** A museum, a library, or any place you like. What is something you learned during your visit? How can visiting new places help you become more knowledgeable?

S

Step 2: Write about your Inquiry Adventure and return this form to Ms. Pirillis by Monday, March 30, 2020.

### OUR MARCH INQUIRY ADVENTURE

Name \_\_\_\_\_ Room # \_\_\_\_\_ Grade: \_\_\_\_\_

What adventure did you take?
