- People who have had COVID-19 within the past 90 days and recovered are excluded from testing for 90 days from the positive test. [IDPH-School-FAQs.pdf](#)

### **Student Vaccination Cards**

Parents and caregivers of 7th and 8th grade students who are vaccinated can bring in student vaccination cards to our main office to update our health records. Vaccination cards will be copied and the copy will be kept in the students medical folder and their profile will be updated in ASPEN. This is an optional process. However, in the event of a class quarantine or a flip to remote learning protocol, students who are vaccinated and asymptomatic may be able to come to school in person if their vaccination cards are on file.
