International Baccalaureate

Primary Years Program (Pre-K – 5th)
Middle Years Program (6th- 8th)

- Tubman develops active and compassionate life-long learners and global citizens of the world
- The goal of an IB education is to inspire students to become risk takers who are open-minded, principled, and reflective
- Learning through student-led inquiry, analysis, and critical thinking, supplemented with a rigorous academic curriculum
- Reinforced learning by student-choice of subjects to deep-dive on and student mentoring

The only CPS wall-to-wall International Baccalaureate Elementary School in Lincoln Park or Lakeview!

Fine and Performing Arts

Magnet Cluster

Artistic expression is essential to the human experience and central to how children communicate. The arts are an avenue of exciting and unexpected connections that improve academic outcomes, critical thinking, and empathy. Our students receive instruction in music, dance, drama, and visual arts, balanced with school wide performance opportunities to highlight arts integration in the IB units of study.

Developing Global Citizens

Tubman offers two world languages: Japanese and Arabic. Research has shown foreign language study improves cognitive abilities, positively influences achievement in other disciplines, and results in higher achievement test scores in reading and math. Through learning language and associated cultures, Tubman students are open-minded and promote intercultural awareness within our community and the greater world.

Diverse and Inclusive

Diversity in mind, body, culture and perspective creates a unique Tubman student community. Tubman students come from 40 zip codes, speak 20 languages and represent 50 countries. We are also 14% diverse learners. By encouraging and celebrating positive ethnic, racial, and cultural identities, Tubman is a supportive and welcoming school. Creating social-emotional bonds and friendships serve as a foundation to collaborative academic learning and a broadening of perspectives in the classroom.

Active Parent Community

Supplementing and supporting our children and school community

- Fun Run, Spring Gala, Fall Fest, Movie Nights, Winterland Wishes and more chances to be involved.
- Over \$500,000 raised in last five years to cover Tubman's strategic plans and enhance student experiences!
